

Monday Night Craft Brew at The Shoe

6/1/2020

*As we continue offering tee times for the league, tee times for the following week will be released the day following league play at 9am. This will ensure fairness in sign-ups for all groups.

* We do ask that all players please observe social distancing of 6 feet. This pertains to check-in, the Bar & Grill, and on the golf course. We know it's a given tendency to gather around in a scramble format, but please do your best to space out while you are playing.

*Check-In will be in the proshop. You will pay your fees at the register and then we will have a separate table set-up for raffle ticket and league prizes. If it's possible for a single player to check in more than 1 player, that would be encouraged.

*As usual, you will get your drink ticket to take upstairs to redeem for your beers before play. After play, beer on tap will be provided. We will ask groups to utilize our outdoor seating (Patio and event area) as we have limited seating indoors.

*There will be no food available for purchase on the first 2 weeks of play. We do intend to offer food for purchase starting in week 3. Thank you for your understanding on this.

*In effort to limit gathering under 50 people, scorecards will be turned in after play to the restaurant and players will be provided a link to online scoring (no scoreboard). Winning teams will still be awarded, and prizes will still be drawn. Prizes & awards won can be claimed the following week.

*We do intend to eventually return to the shotgun format once approval is given. Thanks for understanding and thank you for your support!
